PREVENT FUTURE DENTAL EMERGENCIES!

After your urgent dental needs are met, it's important to schedule a regular dental appointment to have your teeth cleaned and checked.

If you do not have a regular dental provider you may call a Community Dental Care Coordinator (CDCC) at **608.785.9723** for more information and to schedule an appointment for preventative care.

CDCC services are available M–F, 8 am – 4:30 pm.

If you are calling after hours, please leave your name and a phone number, and your call will be returned on the next business day.
